Rick Brown, Ph.D.
WFB 260
707-826-3320

The Program

This minor provides students with scientific information and a sense of the social, political, and ethical issues involved in environmental decisions.

This minor can help students prepare for careers in environmental law, environmental planning, and natural resource professions.

Requirements for the Minor

Total units required for the minor: 15-16

Courses are listed in preferred sequence.
